

# ST ANDREW'S COLLEGE

## Mobility Print Guide (MacOS)

Install on your own device to print  
from any college printer

MOBILITY PRINT

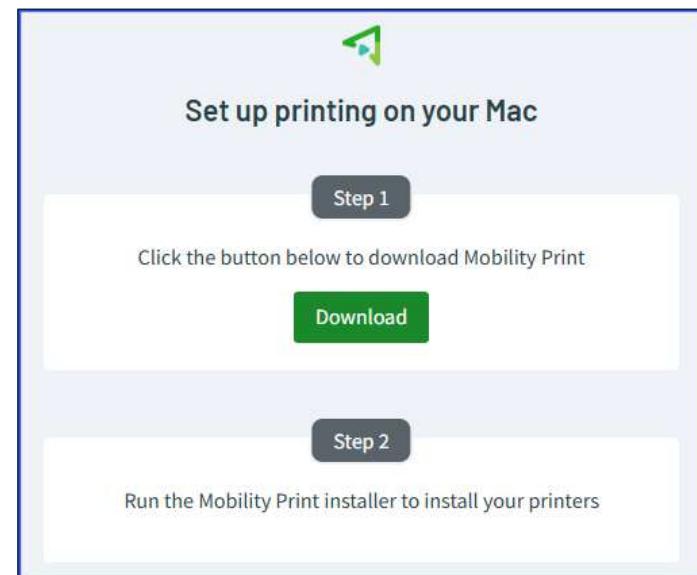

St Andrew's College

# Download Mobility Print

- Go to [stac.nz/print](https://stac.nz/print)
- Download and run the Mobility Print Installer

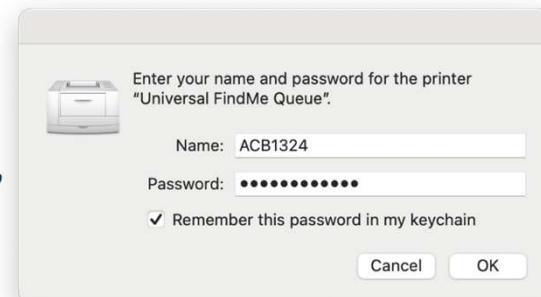

MOBILITY PRINT

# Install Mobility Print (MacOS)

- Double click on **PaperCut Mobility Print Client.pkg**
- Click **Install / Continue / Agree** until the install finishes. If it prompts for a password, use your device password.
- Select **Universal FindMe Queue (Campus Wide)** the next time you print.
- If asked for name and password for the printer “Universal FindMe Queue”, enter your StAC username and password to send to the job to the printer queue.

**CAUTION:** DO NOT enter your device username/password at this step, or the print job will fail.

**TIP:** Your StAC username is 3 letters and 4 numbers, not the full email address.  
e.g. ACB1324

**MOBILITY PRINT**

# At the printer (after sending to the printer queue)

- Swipe your ID card **OR**  
Enter your StAC username  
and password to log in.
- Touch **Print release**, select  
your document(s), then **Print**.
